Independent study is a course under a faculty member's direction. All 4000-level independent studies require upper-division standing. Specific course numbers may require additional prerequisites. Please refer to the Academic Catalog for details.

Students may only be enrolled in an A&H independent study by an A&H academic advisor. Students will need to make sure that all holds have been removed and if they are taking more than 18 hours in the semester, they must attach approval from the Associate Dean of their school.
