THE UNIVERSITY OF TEXAS AT DALLAS
Explore Your Opportunities

You’ll have a selection of more than 50 undergraduate academic programs to explore at UT Dallas — business, biomedical engineering, arts and technology, neuroscience, history and healthcare studies to name just a few.

If you’ve already set a career goal, UT Dallas has internship opportunities and numerous pre-professional and fast-track programs to aim you in the right direction. Our Health Professions and Pre-Law Advising Centers can assist you with making informed decisions preparing for professions in healthcare or law, and our University Career Center can help you jumpstart your career with job fairs, resume assistance and interview training.

Keeping up with rigorous academics sometimes requires a little help from fellow students or faculty. Our Student Success Center provides individual tutoring, peer-led team learning, supplemental instruction, coordinated group study and numerous resources to assist you in achieving your academic goals.
